MY FIRST TRIP to the DENTIST

By Camp Smile

Buckle up, kids! We're going to the dentist.
What happens at the dentist?

Hello, we are checking in for our appointments.

Hi, Emma! You and your brother can play while your mom and I do some paperwork.

This looks fun!
Race you to the camper bus!

Hi, I'm Ashley! I'll bring you to the room where you'll meet the Pediatric Dentist.

Ok! Nice to meet you.

And Myles, now that you're 7, you get to meet an orthodontist! We have both specialists here.

Can you put on these sunglasses? We have a bright light so we can get a really good look at your teeth.

I feel like a movie star!

What flavor of toothpaste do you like?

Bubblegum!

We use a special toothbrush and toothpaste that keep your teeth clean and healthy!

I'm Mr. Thirsty! After Ashley rinses your mouth, I suck up all the water.

Hee hee!

I'm Floss. I'm a tiny string that cleans between your teeth!

Hello, Emma! I'm Dr. Bobbi. We're going to count your teeth together.

I learned how to count in school!

I went to two extra years of special school to learn how to be a dentist for kids like you!

Let's see... A, B, C, D, E...

We count childrens' teeth with letters and adult teeth with numbers. Eventually you'll lose all 20 baby teeth!

Dentists count funny!

Now your teeth are sparkling clean. Here's a prize token!

Wow, thank you!

Can you remember to brush in the morning and at night, and floss every day?

Sure, I'll tell my brother too!

See you next time!
I love my new toy! I can't wait to go back to Camp Smile!
